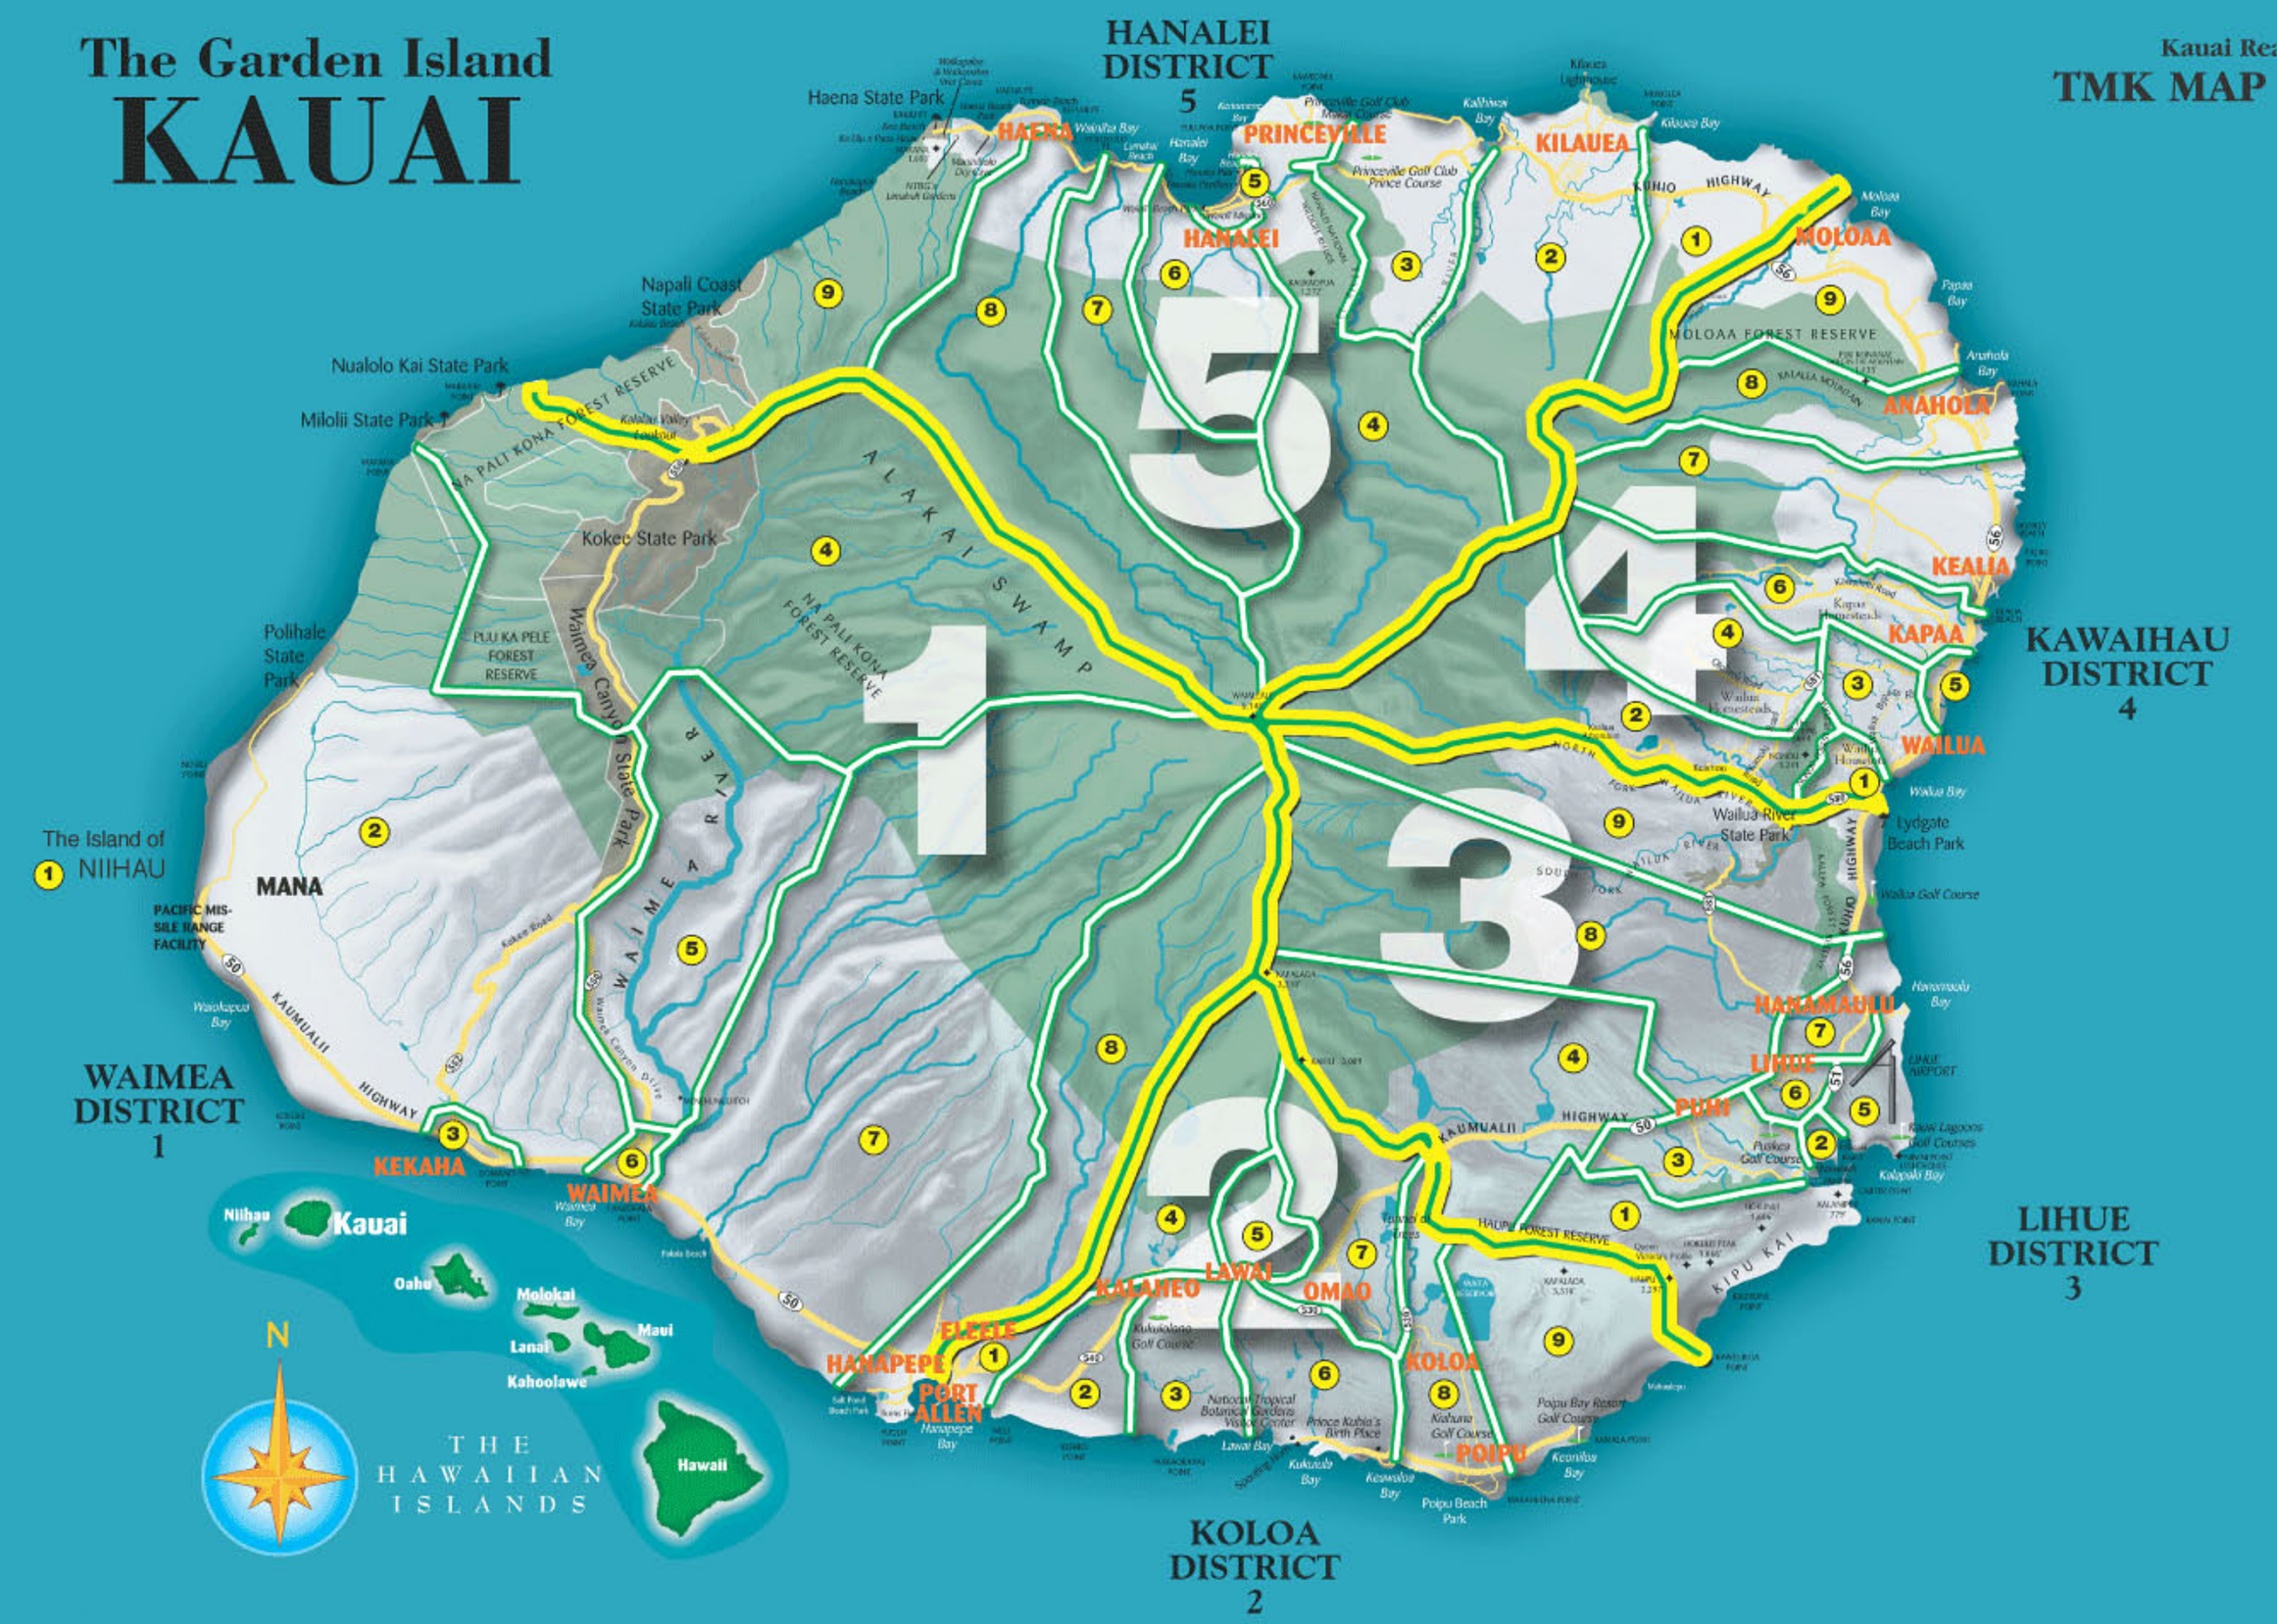
TMK MAP OF KAUAI


The Tax Map Key (TMK Map) shows the County of Kauai in five divisions, used by Realtors, escrow companies and banks to pinpoint the exact location of a parcel. All legal documents will refer to this number. The first number, 4, is Kauai County. All listings in the Kauai Real Estate Magazine classifieds begin with the number 4. The second number indicates the zone on Kauai:
#1 - Waimea
Kekaha
Kokee
#2 - Koloa
Poipu
Kalaheo
#3 - Lihue
Puhi
#4 - Kawaihau
Wailua
Kapaa
Anahola
#5 - Hanalei
Princeville
The third number indicates a section within the zone. The fourth and fifth numbers refer to the plat and parcel, which would show the exact location of the property when looking at a complete detailed tax map.
